

ENSP started the procedures for event inclusion under the Romanian Presidency of the EU Council

romania2019.eu

TAROM Official Airline Partner

26-29 MARCH 2019 THE 4TH ENSP-SRP INTERNATIONAL CONFERENCE ON TOBACCO CONTROL BUCHAREST, ROMANIA

THE CONFERENCE

The annual ENSP Conference brings together more than 400 tobacco experts from across the globe. The event shares high level valuable information and practices and provides delegates with a space to meet and network with like-minded colleagues.

PROGRAMME

Comprehensive agenda covering major tobacco control topics including:

- Heated Tobacco Products
- Tobacco Dependence Treatment
- Taxation and illicit trade
- Youth and tobacco
- TPD and FCTC Implementation

LOCATION

World Trade Center is one of the biggest conference venues in Bucharest, situated in an excellent location with a view over the Herastrau Park. It is conveniently located between the International Airport OTP and the center of the city.

OFFICIAL JOURNAL

All conference abstracts will be published and available for download within a special supplement of ENSP Tobacco Prevention & Cessation Journal, an open access online journal involving all aspects of tobacco use, prevention and cessation.

REGISTRATIONS

Registrations are open until 28 February 2019 on the Conference website: enspconference.org. For groups registration, please contact the Organising Committee.
